

SETU MARCHES

From Program Co-ordinator Desk

Dear Reader

At Setu we ensure a safe yet dynamic learning environment for students across all age groups for their holistic growth. We provide fearless atmosphere and simultaneously create an open space for kids to explore, learn and grow where they are comfortable to share their concerns with teachers or even with the head of the school. Teachers also act as counselors for them and guide them about their safety issues which are very important to teach them given the present scenario of our society.

At Setu we are equally concerned of physical safety of students and we keep trying new ways of protecting school by wiring the railings. This time our donors supported us by funding for safety net which had been our main concern for a very long time. We are thankful to our donors for safety net.

We have tried our best to capture the events and bring to you an update on what transpired doing the last few months.

Swachata ki ore

Swachtakiaur is an endeavor of Setu to ensure a Clean India. It began with a ban on use of plastics at all Setu premises, which is a way of life now. To spread the message of cleanliness around our project sites, on 1st October 2018 we decided to clean the lanes of Nithari Village.

Students, teachers and volunteers participated enthusiastically to clean the immediate vicinity and students presented "Nukkad Nataks. The residents including shopkeepers were also briefed on cleanliness and the students also distributed paper bags to them.

Educational Trip to Jaipur

Students at Setu got exposure to a wonderful educational trip to Jaipur. The group was led by Renu Verma and was a great learning experience of the artistic and cultural traditions of Rajasthan to support important academic concepts along with chance to explore cultural heritage, food and spectacular historic structures.

Cardiac Health camp at Setu

Over 125 residents of Village Nithari Noida underwent Cardiac Health Checkup Camp organised by SETU along with @Metro Hospital Noida, an initiative under the Setu Health Program.

SETU Mela

With the spirit of festivity in the air, The Setu *Diwali Mela* was a big hit again. Amidst the beautiful décor done using recycling waste like paper tray, cartons etc., there were games, food, dance, gifts, volunteers and the crowd adding to the glory of food, fun, games, dance and other activities. Kudos to students and teachers.

Children's Day Celebration

Children's Day at Setu was celebrated with great zeal and enthusiasm as the students participated in a painting competition followed by special lunch for students and distribution of winter uniform.

Students of Prep1 and Prep 2 Setu School Noida performed at *Just Connect Celebration* of Mayoor School and enthralled the audience with their show, attended by the students at Mayoor School and

their Grandparents. The students of Setu received lot of accolade as well as gifts from their counterparts.
