Physio Lab 7

Success Stories 8

During this quarter school got beautified by tiling in all the classes and the corridors. They were also gifted by lift (pulley system), which is used for carrying food on daily basis from ground floor to 3rd floor. We are thankful to our donors for their continuous support.

The Quarter April to June 2019 started with its 12th Founders Day celebration on 9th April 2019. A day of going back into the past year, rewards and recognition and renewal of spirit of continuing our service to our current potential beneficiaries. Appreciation by trustees, cultural events, fashion show, games, lots of food followed by award ceremony.

We are also thankful to one of our major patron for supporting Setu in becoming the first NGO in Noida Green by installing Solar Power plant at Nithari location as well as at Sadarpur centre.

Setu also implemented a new student management system which helps our teachers in maintaining School and Skill centre records. The system is also accessible by our donors who are sponsoring child's education and they can monitor the progress of their sponsored student online.

INTER SCHOOL ACTIVITY-MAYOOR VISIT

“Students gain a lot from this interschool exchange programme”

Mayoor school students along with their teacher visited Setu for interactive knowledge based sessions. Students gain a lot from this interschool exchange programme.

SUMMER CAMP

This year our summer camp was different. We had regular classes for three hours as our focus is on improving on the academic performance of the students. They revised their previous syllabus and in this process slow learners were taken care by their peer group.

Students also prepared hand painted earthen products for our fund raising stalls.

ACADEMIC ACHIEVEMENTS

This year we had 100% result in Class 12 and Class 10 CBSE examination. A proud moment for all of us, Renu Kurmi topped Class 12 with 81% marks and Sapna Pandey class 10 with 76% marks. Out of the 28 students who appeared, 50% students scored over 60% marks and 21% over 50%.

A very positive results contrary to our expectations considering all these students come from the Un-served community.

Renu Kurmi of Class 12th

Sapna Pandey of class 10th

THEATER WORKSHOP

This workshop was conducted by one of our well-wishers Piyush Srivastava, our donor and supporter for students of classes 4th to 6th. Those students were selected who were less participative in the class. This workshop was for more than one month. Skit prepared is on environmental issues. Students have learnt a lot.

TEACHER'S TRAINING

Teachers training was conducted on teaching practices. Small tips were shared to improve our daily habits.

Teachers were motivated to write reflections at the end of the day. This will help them in improving their own planning and teaching style.

WORKSHOP FOR STUDENTS

ACTIVITY BASE TEACHING

ENVIRONMENT ACTIVITIES

COUNSELING SESSION CONDUCTED BY MAYOOR SCHOOL

ENVIRONMENT DAY AT PWC OFFICE

Our special students participated in environment day celebration at PWC office. They performed one skit on save environment. Followed by creating some useful products from old newspapers. Everybody enjoyed the activity.

“Students of PWC performed one skit on save environment”

CONVOCATION CEREMONY AT JAIPUR CENTER

A total of 209 students were certified in Basic Computers, Tailoring and Textile. The students also displayed the products created by them at a fashion show conducted on the occasion.

SUCCESS STORIES

Personal and Family Background

She is Safiya. There are 6 members in my family. Her father is doing a job in private company. Her family's annual income is Rs 1,20,000. This income is not sufficient to fulfill the demand of family of 6 members. She always had a dream of being independent and supporting her family, but she did not have any specific skill. She came to know about the sewing program at Setu through our mobilization camps. She enrolled herself for the same to learn sewing. She completed this course with a lot of dedication. After successful completion of this course, she started stitching work at home. Currently, she is earning Rs 2000 per month.

Change noticed through this course

When she joined the course, she had no knowledge of sewing or any of its stitches. She also didn't know how to operate a sewing machine. But she was very desperate to learn the course as she saw this course as her future source of income. She learned various designs and patterns during her course. She is very happy as she has found a source of income, in the form of sewing.

Personal and Family Background

Swarnalata belongs to a poor family. She always had a dream of doing a job to support her family. She wanted to enhance her communication skills and a desire to learn computers. She came to know about SETU from one of her neighbors and she enrolled herself in a basic IT/English course. After she completed her course, she got a job as a telecaller at sec-16 BPO with a salary of Rs 10,000 per month. She belongs to a poor family having 4 members. Her husband is working in a private company and is the only earning member in the family. Her family's annual income is Rs.96,000. She always wanted to be self-dependent and to support her husband. She also wants to improve her family condition.

Change noticed through this course

Before joining this course, she did not have any knowledge about computers. As she started the course, she learned the basic concepts of computer - MS Word, Excel, PowerPoint, Internet. After completing this course, she became part of Digital India. She is very happy as she is able to use online facilities. She also got knowledge of basic communication skills and attended Personality Development sessions to improve her confidence. Now she is working and self-dependent.
